About this item

Product details

Help your family and those you care for kill germs on their hands with PURELL Advanced Hand Sanitizer Naturals. The same 99.99 percent germ-killing power of PURELL hand sanitizer that you know and trust is available in a simple formulation, made with naturally derived plant-based **ethanol**. You don't want to think about it, but it's true – illness-causing germs are everywhere – at home, at work, and when you're out and about. We know that life moves fast, and that washing your hands with soap and water is not always an option. PURELL hand sanitizer, the No. 1 brand most trusted and used by hospitals, is a convenient and gentle way to kill germs. The formulation has 2X Sanitizing Strength. One squirt of PURELL Advanced Hand Sanitizer equals two squirts of other national brands. Since PURELL Advanced Hand Sanitizer Naturals outperforms other sanitizers ounce-for-ounce, you get more germ-fighting power with every bottle. PURELL hand sanitizer is formulated to be gentle on skin with four conditioners and essential oils and is clinically proven to maintain skin health. It is free of harsh preservatives, and does not contain dye, triclosan, parabens, or phthalates. This EcoLogo Certified and USDA Certified Biobased formulation is made with naturally renewable alcohol, with 93 percent Biobased content. Place this 8 fl oz pump bottle in your home or office. Reach for the PURELL bottle when you need to kill germs, refresh, or clean-up in a hurry. PURELL hand sanitizer is free of triclosan and will not create supergerms, as the alcohol formulation kills germs fast and evaporates quickly, so germs don't become resistant. GOJO Industries, a purpose-driven Family Enterprise, invented the PURELL brand 30 years ago.

- Help your family and those you care about kill germs on their hands with PURELL Advanced Hand Sanitizer Naturals, made with naturally derived alcohol
- 2X Sanitizing Strength. One squirt of PURELL Advanced Hand Sanitizer equals two squirts of other national brands. Outperforms other sanitizers ounce-for-ounce
